DETAILED ACTION

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 08/01/2002 has been entered. The Examiner has carefully considered Applicant's amendments and accompanying remarks filed on 08/1/2002. Amendments to claims 1, 4, 5, 6, 7, 11, 25, 33 and 37 have all been entered. All previously made rejections are now withdrawn, and thus the arguments are also moot.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1-7, 9-11, 25, 28 and 33-39 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. In independent claims 1 and 33 Applicant claims a third substance, that is a filler, wherein it is found to be "present" in approximately 0% to 40% by weight. This implies that there is some percentage of the filler present in the composite, however the limit of "zero" implies that nothing can be present. Please claim one or the other. All dependant claims are also rejected as they are dependant from rejected base claims.

Information Disclosure Statement

4. The information disclosure statement filed 03/11/98 fails to comply with 37 CFR 1.98(a)(2), which requires a legible copy of each U.S. and foreign patent; each publication or that portion which caused it to be listed; and all other information or that portion which

caused it to be listed. It has been placed in the application file, but the information referred to therein has not been considered. All of the US references were received and reviewed, however, the PTO received none of the foreign documents. Please remit and they will be reviewed with the next office action.
